

DAY BY DAY

DAYBYDAY

Day by day è una linea di sanitari pensati per il quotidiano. L'equilibrio formale, l'armonia geometrica insieme alla continuità del linguaggio formale complessivo, esprimono la durevolezza del design in contrapposizione con la variabilità delle forme contemporanee.

Daybyday is a line of sanitary ware designed for everyday life. Formal balance and geometrical harmony, together with continuity of the overall formal language, express the lastingness of the design in contrast with the variability of contemporary forms.
