DESIGN NILO GIOACCHINI

Minimaxi è un sistema di sanitari composto da numerosi elementi. Il concetto generatore del sistema consiste nel far appartenere diverse forme e dimensioni ad un'unica radice formale che realizza innumerevoli proposte tipologiche di arredo.

La sintesi e l'attualità delle forme, trasforma Minimaxi in un vero e proprio motore di proposte con le più ampie sensibilità formali per un'offerta completa di stili di vita.

*Minimaxi is a system of sanitary ware comprising numerous elements. The concept behind the system consists of making various forms and dimensions belong to one single formal root, creating innumerable typological furnishing suggestions.*

*The synthesis and topicality of the forms transforms Minimaxi into an actual engine of proposals with the broadest formal sensibilities for a complete offer of lifestyles.*
